COURTHOUSE CHRISTIAN PRESCHOOL & AFTERCARE

December 2021

Happy December! We hope everyone had a wonderful Thanksgiving holiday! We are so thankful for all our families! We appreciate all your support and for choosing CCPA for your child. Thanks for your generous donation of food for the Thanksgiving Food Baskets. Our preschool collected so much food to share! Such a huge blessing!

Scholastic Book Fair

We are having a Scholastic Book Fair beginning Tuesday, November 30 through Friday, December 3. Book Fair will be set up in the Studio and open to families each of these 4 days from 9-10 am and again from 12-12:30. Books are available for purchase each of these days and we can accept cash, check and cards. Each class will visit the Book Fair one morning that week. If you would like the teachers to help, find a special book for your child, feel free to send money in an envelope with them. At the Book Fair, the teachers will also have Classroom Wish Lists for books they would like for their classroom libraries. You can purchase them if you like!

Christmas Program

So happy we can offer our Christmas program this year in person! To accommodate everyone, we will have the Two-year-old and Three-year-old program at noon on Thursday, December 16 in the Family Life Center (FLC.) Doors will open at 11:40. The Four-year-old's Program will be at 6:30. Doors will open at 6:10. Ms. Julie is already working on this amazing annual event and more details will follow!

Cold Weather Reminders

Please make sure that the change of clothes in your child's bag is weather appropriate. Remember to include not only pants, underwear, and a shirt, but also socks. Please remember that we go outside every day weather permitting! Please label everything with your child's name—this makes it much easier for us to ensure items go home with the right child!

Santa's Workshop is back!

We are thrilled to partner with CCUMC's Food Pantry this month to provide a toy and book shopping experience we're calling Santa's Workshop. Our goal is to provide a variety of new or gently used toys and books that our food pantry guests can choose from to enrich their families'

Christmases. We will also be providing guests with a gift-wrapping kit, including paper, tape, scissors, bows, and gift bags.

To make this successful, we would like families to assist their children in choosing toys and/or books to donate. These donations do not have to be brand new—in fact, we would like to encourage you to help your child choose a gently used toy/book he or she already has for the donation. In addition, we are happy to accept donations for the wrapping kits—wrapping paper, scissors, tape, bows, and gift bags are all needed! If you would prefer to donate monetarily, you may bring your donation to your child's teacher or to the office by this Friday, December 3rd. Cash donations will be used to purchase items for the wrapping kits.

We will be setting up Santa's Workshop on Monday, December 6th and Tuesday, December 7th from 9:00-12:30 and would love to have help from anyone who has a little time. The workshop itself will be on Wednesday, December 8th from 10:00-12:00 and again from 5:30-7. We are looking for volunteers to help food pantry guests "shop". Keeping Everyone Healthy... is a big job and we are requesting your help!

We work consistently on washing our hands, blowing our noses, and not spreading germs at school. You can help us by making sure your child stays home if s/he has any of the following symptoms: a temperature over 100 degrees; vomiting; diarrhea; thick, ongoing colored mucous; or any kind of rash. Please remember that for the health of ALL children and staff, as well as social services regulations, children must be symptom-free for 24 hours without the aid of medication before returning to school.

Enrollment for 2022-23 School Year

CCPA will be having internal enrollment for the 2022-23 school year during the week of January 18th. This gives our families who are already enrolled a week to register for next year before we allow new families to register. Please mark your calendar to register during this week to ensure your child's spot for the next school year.
