February 2023 *"Love each other as I have loved you." John 15:12*

A Note from the Office

Welcome, February! Our hearts are full of kindness around here, and we are excited to celebrate Wear Red for CHD (Congenital Heart Defect) Awareness Day. We ask all staff and children to wear **RED** on **Tuesday, February 14th**. 1 in 110 children are born with these heart defects. We know several of our families have children that are heart warriors.

Chapel and Outreach Updates

In January, we discussed the journey that the wise men took to see Jesus. When the wiseman saw the star, they were filled with joy. The star guided them to Jesus. We also talked about the Bible being our road map to life. This month, we will continue talking about God's love and how He wants us to love others. The children are very excited to make valentines for the residents of a local assisted living facility! Our verse for this month is "Love each other as I have loved you." John 5:14. Our stories will be The Parable of the Lost Sheep and The Prodigal Son.

A Note About Brightwheel

Please be sure to check your Brightwheel messages daily. This is our primary communication tool and the best way to keep in the loop. This applies to administration and teachers. All of the important dates for the school year are on the master calendar that you received in August with your packet. If you have misplaced it, it is on our website, or you can message us, and we can send a new one home. We also put all the important dates in the monthly newsletters which get sent home via Brightwheel and then put on the website. Our goal is to have clear and open communication with all of our families, please let us know if you ever have any questions or concerns.
