## May 2022

*What a fun and exciting year we have had! I just want to take a moment to thank each of you for sharing your children with us. Each child who walks through our doors is such a blessing to us, and we are honored to work with all of them. We are also incredibly grateful for having such kind and supportive families. We understand that you are your child's first and most important teacher, and we are truly blessed to have partnered with you on your child's education journey. I am so in awe of the entire CCPA staff as they continue to go above and beyond to create a safe and loving learning environment. Please take a moment to show your appreciation to the CCPA staff during the week of May 2nd. Just a simple thank you means the world to them! - Ms Mo*

### Prayer Pillows

At the End of the Year Celebration, we like to acknowledge our four-year olds by presenting each of them with a prayer pillow. These pillows are small and have a poem attached to help the child remember that God is always with him or her.

## Outreach

We have had a busy year of outreach! Our projects have included placemats for our friends in Assisted Living; food for needy families; valentines for friends in Assisted Living; and most recently, our Family Fun Day, in honor of our Compassion child, Roseline.

## Our Compassion Child, Roseline

CCPA began sponsoring Roseline nine years ago, and we continue this sponsorship, believing in its inherent value. Thanks to Compassion International and this sponsorship, Roseline is now able to attend school and church, and is having basic needs such as food, shelter, and clothing provided for her. The yearly cost for sponsoring a child is \$456. It was our goal to raise the full amount this month.

In Chapel this month, we discussed ways we could help others like Roseline and to be the “hands and feet” of Jesus. As you know, the children decorated small banks to take home prior to spring break. We

asked that they help others around their house or neighborhood and if they earned money for their help, they could bring it to Chapel and we will share it with Roseline. The children were filled with so much joy and excitement as they poured their money from their banks into a large bank for Roseline. The children were able to share how they earned the money! **We are happy to report that we have collected a little over \$1000!** We are overjoyed by the generosity of our families and children. We will not only sponsor Roseline for one more year but have decided to send her additional money for a family gift, birthday gifts and Christmas gifts. Any remaining money will be sent to an organization in Burkina Faso that helps to put in wells for water.

## Drive Up/Drop Off Numbers

We try to recycle our drive up numbers each year, so if your number is still in good condition, we would appreciate you turning it in at the end of the school year. If it has seen better days, then please feel free to get rid of it; we will assign new numbers next year.

## Medications

If you have an inhaler, epi-pen or other medication in the office for your child and they will not be attending summer camps, please stop by the office on the last day of school to pick up their medication. Any unclaimed medication will be disposed of June 1.

## Progress Reports

Your child’s final progress report of the year will be issued on May 19<sup>th</sup> and 20<sup>th</sup>.

## Outside Time

Just a reminder that we do take the students out every day (weather permitting) for approximately 30 minutes, so you may want to take a few minutes to apply sunscreen to your children before the start of the day. Also, please make sure your child is wearing appropriate shoes for our outdoor time. Children must wear shoes that protect their toes, such as sneakers. Sandals, crocs, etc. are safety hazards on the playground at this age, and your child may miss certain activities if s/he is not wearing appropriate footwear.
