## May 2026

*What a fun and exciting year we have had! I just want to take a moment to thank each of you for sharing your children with us. Each child who walks through our doors is such a blessing to us, and we are honored to work with all of them. We are also incredibly grateful for having such kind and supportive families. We understand that you are your child's first and most important teacher, and we are truly blessed to have partnered with you on your child's education journey. I am so in awe of the entire CCPA staff as they continue to go above and beyond to create a safe and loving learning environment. Please take a moment to show your appreciation to the CCPA staff during the week of **May 4th**. Just a simple thank you means the world to them! Ms. Donna*

## Our Compassion Child, Roseline

CCPA began sponsoring Roseline over 13 years ago, and we continue this sponsorship, believing in its inherent value. Thanks to Compassion International and this sponsorship, Roseline is now able to attend school and church, and is having basic needs such as food, shelter, and clothing provided for her. The yearly cost for sponsoring a child is \$516. It was our goal to raise the full amount this month. In Chapel this month, we discussed ways we could help others like Roseline and to be the “hands and feet” of Jesus. As you know, the children decorated small banks to collect change. We asked that they help others around their house or neighborhood and if they earned money for their help, they could bring it to Chapel and we will share it with Roseline. The children were filled with so much joy and excitement as they poured their money from their banks into a large bank for Roseline.

**We are happy to report that we have collected over \$500 in bills and we will update our total once we tally the coins. We are overjoyed by the generosity of our families and children.**

*Thank you so much for your generous response to the Amazon Wish List. The children love all the new toys!*
